

# **SHS BAND/COLORGUARD WEEKLY E-LETTER**

**October 24, 2010**

**Issue 9, Volume III**

**email: [southhighbandboosters@hotmail.com](mailto:southhighbandboosters@hotmail.com)**

## **Notes from Laura Savitz, President:**

### **We need your participation!**

As of Friday, October 22 we have only received 60 out of 190 student's orders for greenery. To keep our fees where they are, we use this as our biggest and mandatory fundraiser for the entire band program. We are very concerned about the low participation rate. Please take time tomorrow to either sell the greenery (it really is an easy sale) or if you wish not to participate, you may just donate \$50.

Keep in mind that the students who sell the greenery receive 50% of their profits into their own student account. These funds can be used later to go towards big trip payments or next year's fees.

Thank you in advance for working with us to keep our band program up and running at the high level many have worked hard to get it to.

### **E-Letter**

We hope that our families find this weekly communication helpful. Please keep in mind that we do our best to give you correct information, but there are times when mistakes will occur. As updates are available we will communicate them as soon as possible.
